We at Plum Communications have found that a large majority of our new business comes through recommendations to potential customers from our existing customers. We are always looking at improving our customers' experience with us, so wouldn't it be a good idea to reward our customers for giving us this new business. Therefore, we are introducing a NEW customer referral scheme.

What our customers say?

"The best thing about doing business with Plum Communications is the after sales relationship, if anything goes wrong we can put a face to the problem and get it sorted"

Customer Referral Scheme

If you recommend a new customer to us, and they then order, or transfer to us, any of our products and services, we will reward you with a:

- £10 credit to your account
- OR
- £10 donation to a charity of your choice

If you would like to make a referral

- please fill in the form overleaf, filling in the contact details for both the prospective customer(s) and yourself.
- remember to select whether you want to credit your account or donate the money to charity. If donating to a charity please enter the charity's details
- fax it back to us at 0161 6223501

The form overleaf has space for up to 3 potential referrals, but there is no limit to the number of referrals you can make.

This referral scheme applies for any new customers who take business with Plum Communications prior to 31st December 2009

effective communications for business

business goal: business improvement • connectivity • cost reduction • security
